"When men and nations learn to deal justify with each other," he said, "they shall beat their swords into plowshares and their spears into pruning hooks."

The common law of England, which is the basis of the American statutes, Justice Barnard said, is founded upon much that is recorded in the Five Books of Moses, "The criminal laws have been mainly inspired by the commandments which say 'thou shalt not.' All the legislation concerning the Sabbath is founded on the commandment, 'remember the Sabbath day to keep it holy.'"
